## DETAILED ACTION

### *Reissue Applications*

1. The reissue oath/declaration filed with this application is defective because the error which is relied upon to support the reissue application is not an error upon which a reissue can be based. See 37 CFR 1.175(a)(1) and MPEP § 1414.

MPEP 1414 [R-2] Content of Reissue Oath/Declaration, states in part:  
II. A STATEMENT OF AT LEAST ONE ERROR WHICH IS RELIED UPON  
TO SUPPORT THE REISSUE APPLICATION (I.E., THE BASIS FOR THE  
REISSUE)....

In identifying the error, it is sufficient that the reissue oath/declaration identify a single word, phrase, or expression in the specification or in an original claim, and how it renders the original patent wholly or partly inoperative or invalid. [emphasis added]

2. Claims **1-36** are rejected as being based upon a defective reissue **Declaration** under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the **Declaration** is set forth in the discussion above in this Office action.
